The content in this app is written by OCBC Wealth Management and the information is intended for general circulation only.

The content in this app is written by OCBC Wealth Management and the information is intended for general circulation only. It does not consider the specific investment objectives, financial situation or needs of anyone. Any opinions, facts, or views of any third party expressed in the content are attributed to the third parties identified and do not represent our view. In addition, we do not guarantee the accuracy of this information at any time. All of the information here may change any time without notice. We are not responsible for any loss or damage arising from this information. The content in this app must not be reproduced or shared without our agreement.

And it does not constitute a recommendation to you

We are not making an offer, solicit to buy or sell or subscribe for any security or financial instrument, enter into any transaction or participate in any trading or investment strategy with you through any content in this app.

If you do wish to make an investment, you should first speak to your OCBC Relationship Manager or Personal Financial Consultant. They will assess whether the products are suitable to you based on your investment objectives, financial situation or needs. If you choose not to do so, you should consider if the investment product is suitable for you.

Do note that investment involves risks. Past performance figures, predictions or projections are not necessarily indicative of future or likely performance. The content in this app may contain projections or other forward looking statement regarding future events or future performance of countries, assets, markets or companies. Actual events or results may differ materially. Any reference to a company, financial product or asset class is used for illustrative purposes and does not represent a specific recommendation to meet your financial needs in any way.

We may have alliances with certain product providers and other related corporations

We may have alliances with product providers, for which we may receive a fee. Product providers may also receive fees from investors. We may have performed or will perform broking and other financial services for the product providers. In addition, we and our related corporations and their directors and officers may have or take positions in securities mentioned in the content within this app.

Valuations

All valuations are as of the valuation date indicated and represent an estimated valuation derived from market quotations or from proprietary models that take into consideration estimates about relevant present and future market conditions as well as the size and liquidity of the position and any related actual or potential hedging transactions. Although the information is derived from sources believed to be reliable, we assume no responsibility to independently verify the same. Valuations based upon other models or assumptions or calculated as of another date and time may yield significantly different results. All valuations are provided for your general information only.

We expressly disclaim any responsibility for (i) the accuracy of the models, market data input into such models or estimates used in deriving the valuations, (ii) any errors or omissions in computing or disseminating the valuations and (iii) any uses to which the valuations are put.

These valuations do not represent (i) the actual prices at which new transactions could be entered into, (ii) the actual prices at which the existing transaction could be liquidated or unwound or (iii) an estimate of an amount that would be payable following the early termination date of any transaction.

Foreign Currency

Exchange rate fluctuations may affect the value of your foreign currency investments or deposits. Earning on foreign currency investments or deposits may change depending on the exchange rates at maturity if you choose to convert. Exchange controls may apply to certain foreign currencies. Any pre-termination costs will be taken from your deposit.

Unit Trust

A copy of the prospectus of each fund is available and may be obtained from the fund manager or any of its approved distributors. Potential investors should read the prospectus for details on the relevant fund before deciding whether to subscribe for, or purchase units in the fund. The value of the units in the funds and the income accruing to the units, if any, may fall or rise. Please refer to the prospectus of the relevant fund for the name of the fund manager and the investment objectives of the fund.
